and Communities**

OBESITY PREVENTION CENTER FOR EXCELLENCE (OPCE)

6 Creating Healthy Schools and Communities (CHSC) Strategies

Objective: To support and strengthen the collective efforts of grantees and their partners to create healthier communities by increasing access to healthy foods and opportunities for physical activity. The OPCE is funded by the New York State Department of Health.

OPCE SUPPORT

OPCE STAFF AND PARTNER ORGANIZATIONS

JSI, the OPCE lead agency, is committed to promoting health throughout New York. JSI's support services are evidence-informed, culturally-targeted, and designed to help grantees and their partners build capacity. JSI's overall approach is collaborative and mindful of an organization's needs and priorities from a practical, budget-conscious perspective. JSI brings technical expertise and has a history of working with partners to find solutions to challenging health issues like obesity.
